Home School Package Reflection Workshop

KoBLE Network Meeting

Asia South Pacific Basic Adult Education Virtual Meeting

ASPBAE in-country consultations took place on 7th August, 2020, to nominate two national representatives to represent ASPBAE members in Vanuatu. The members voted Anita Samana and Gaetano Kalopong who are representatives of KoBLE and V-Pride.

ASPBAE in-country members participated in discussions on education issues in Vanuatu with indications for advocacy work on targeted issues.

Home School Package Research Survey

The HSP Research Survey team made its final school visits in August, 2020, in the northern part of the Island of Efate, Vanuatu at Onesua Presbyterian College, Manua Center School and Ulei Junior Secondary School, when schools reopened after the school holidays.

The team is now working on its preliminary data analysis and findings, ready to present to the Education Cluster Group at the Ministry of Education and Training (MoET) early September, 2020.

Home School Package Reflection Workshop

KoBLE Staff and Youth Action Researchers convened on 18th August, 2020, for a whole day workshop to reflect on the lessons learnt from the research and data collections from the rural and remote areas of SHEFA and SANMA Provinces, on the effectiveness of the Home School Package. There were two teams that were deployed on 9th August, 2020 to Santo, South Epi and Tongoa.

Kolisen Blong Leftemap Edukesen Network Meeting

On 21st August, 2020, KoBLE organized its network meeting with representatives from education institutions, NGOs and one private mama's handicraft association, who were given the opportunity to share their updates on the formal and informal education activities with the challenges faced due to the COVID-19 crisis. Discussions on educational issues in the country were taken up and ways forward were also raised.
